HAMMONTON

This Ordinance is intended to supplement Chapter 211 (Property Maintenance) of the Town of Hammonton to serve as Article III (new) thereof.

WHEREAS, the Town of Hammonton ("Town") is a municipal entity organized and existing under the laws of the State of New Jersey and located in Atlantic County; and

WHEREAS, abandoned properties create a wide range of problems, such as fostering criminal activity, creating public health problems and otherwise diminishing the quality of life for residents and business operators in those areas; and

WHEREAS, abandoned properties diminish the property values of neighboring properties and have a negative effect on the quality of life of adjacent property owners, increasing the risk of property damage through arson and vandalism and discouraging neighborhood stability and revitalization; and

WHEREAS, pursuant to N.J.S.A. 40:48-2, the Governing Body is authorized to enact and amend ordinances as deemed necessary for the preservation of the public health, safety and welfare and as may be necessary to carry into effect the powers and duties conferred and imposed upon the Town by law; and

A property which contains both residential and nonresidential space may be considered abandoned pursuant to P.L. 2003, c. 210 (N.J.S.A. 55:19-78 et seq.) so long as 2/3 or more of the total net square footage of the building was previously legally occupied as residential or commercial space and none of the residential or commercial space has been legally occupied for at least six months at the time of the determination of abandonment by the public officer and the property meets the criteria of either Subsection A or Subsection D of this definition.
