**Resolution #079-2020- Approval of Audit Corrective Action Plan**

**CORRECTIVE ACTION PLAN**

Corrective Action Plan of the Town of Hammonton, County of Atlantic, State of New Jersey, for the year 2019.

**WHEREAS**, in accordance with the requirements of the Division of Local Government Services, at the completion of the audit, the local government unit shall prepare a Corrective Action Plan to address each audit finding in the current year audit report; and

**WHEREAS**, the Corrective Action Plan of the Town of Hammonton for the 2019 Report of Audit is as follows:

**Finding No. 2019-001:**

**Condition:**

A calculation of the actuarially calculated Other Post Employment Benefits (OPEB) obligation for the future cost of dental and vision insurance coverage to be paid by the Town for retired employees was not obtained.

**Recommendation:** That the Town obtain the actuarially calculated Other Post Employment Benefits (OPEB) obligation for the future cost of dental and vision insurance coverage to be paid by the Town for retired employees.

**Corrective Action:** This required disclosure is mandated by an accounting disclosure standard adopted by the Governmental Accounting Standards Board (GASB) Statement No. 45. In New Jersey, municipalities and counties report and budget under regulatory accounting practices and therefore are not required to "book" OPEB future obligations. The Town carries its medical health insurance with the State Health Benefits Program (SHBP). The required disclosure, with which the Town complies, only references where information can be found on the SHBP and is not required to include any future obligation. The dental and vision insurance coverage is contracted through a private carrier and only represents less than 10% of the Town's total annual SHBP obligation. The Chief Financial Officer and the Town Accountant have exhausted numerous possibilities to have these calculations prepared at no cost to the taxpayers without success. Therefore, since there is no financial impact on the Town for not obtaining the actuarially calculated obligation for its future cost of dental and vision insurance coverage for retired employees, the Town will continue to evaluate the cost/benefit of budgeting taxpayer funds in

future budget years in order to solely comply with a financial disclosure requirement that has no financial impact on the Town's current operations.

**BE IT RESOLVED**, that the Corrective Action Plan for the 2019 Report of Audit of the Town of Hammonton be approved by the Governing Body of the Town of Hammonton; and

**BE IT FURTHER RESOLVED**, that one certified copy of this resolution be filed with the Division of Local Government Services.
